

# KNEE MILL & MANUAL LATHE

TRADITIONAL MACHINING WITH HAAS SUPPORT

Quality | Service | Support

# THE CLASSICS JUST GOT THE HAAS TREATMENT

The Haas Knee Mill and Manual Lathe deliver everything you need right out of the box – no extras, no hidden add-ons, and no compromises. These machines are designed to help job shops, engineering firms, and contract manufacturers expand their capabilities, and they come backed by the same industry-leading Haas service and support as our CNC products.
