EQUIPMENT & SUPPORT

MORE CNC

Working directly with top-tier manufacturers around the globe, we've sourced a selection of high-quality shop equipment to help job shops, engineering firms, and contract manufacturers round out their capabilities – all at incredible prices only available from Haas. Every product has undergone rigorous testing to ensure it meets our high standards, before becoming available to you. And all equipment is backed by the same industry-leading Haas service and support as our CNC products.

HKM-1 Knee Mill

A traditional-style knee mill.

Product Features	X-Axis Power Feed w/Clutch Handles Automatic Lubrication System Pneumatic Power Drawbar Digital Quill Scale Coolant System w/Chip Tray LED Work Light
Spindle	4500-rpm R8 Spindle Variable Speed Head with High/Low Gear Ranges
Table	9 x 49 in 229 x 1245 mm
Travels	32.7 x 12 x 16 in 831 x 305 x 406 mm

ALL IN AT:

US\$ 27,295

HML-1 Manual Lathe

A traditional-style manual engine lathe.

Product Features	Full-Length Splash Guard Chuck Safety Guard with Limit Switch Lead Screw Cover Work Light Digital Readout (DRO) 4-way Tool Post Manual Tailstock w/MT4 Quill Steady Rest
Spindle	1800-rpm Spindle, D1-6 w/MT6 Taper 9 in (229 mm) Manual 3-Jaw Chuck
Max Capacity	14 x 39 in 360 x 1000 mm

ALL IN AT:

US\$ 27,295

HAB-3232 Automatic Bandsaw

Automated metal cutting with a simple user interface – clear, responsive, and easy to navigate.

Product Features	Hydraulic Blade Tension Automatic Chip Conveyor (spiral type) Power Brush Nesting Clamping System Bar Stacking Capability Manual, Automatic, and AI Modes Memory for Multiple Jobs
-------------------------	--

Mechanical Structure	Main Drive Precision Gear Reducer Split Front Vise Manual Guide Arm Movement
-----------------------------	--

Cutting Capacity	12.6 x 12.6 in / 320 x 320 mm
-------------------------	-------------------------------

ALL IN AT:

US\$ 39,995

HMS-3123 Miter Bandsaw

With both precision cutting and multi-angle flexibility.

Product Features	Hydraulic Clamping Vise Pressure Regulator Blade Breakage Detection Manual Guide Arm
-------------------------	---

Cutting Capacity	90° flat – 12.2 x 9 in (310 x 230 mm) 90° round – 9 in (230 mm)
-------------------------	--

Mitering Range	0° - 60°
-----------------------	----------

ALL IN AT:

US\$ 13,695

HVS-1 Vertical Bandsaw

A variable-speed vertical bandsaw with an adjustable table.

Product Features	Adjustable Blade Guide Blade Tension Adjuster Blade Guide Lock Mist Spray System Chip Tray
-------------------------	--

Mechanical Structure	Table Tilt Control, 45° R, 15° L 31.5 x 19.7 in (800 x 500 mm) Workbench Build-In Forklift Pockets
-----------------------------	--

Cutting Capacity	13 x 20 in / 330 x 510 mm
-------------------------	---------------------------

ALL IN AT:

US\$ 15,795

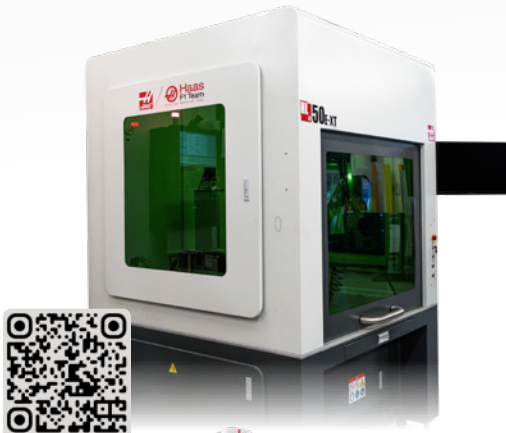

HL-50E Laser Marking Machine

The Haas HL-50E is a fully enclosed, infrared fiber laser marking machine offering precise laser marking capabilities to your production line.

Product Features	50 W Laser with a .047 inch (1.2 mm) Cutting Depth Customize your creative assets exactly how you want with a lifetime LightBurn license.
Capacity	Fixture Plate: 450 x 350 mm F160 Lens: 110 x 110 mm Working Area F290 Lens: 200 x 200 mm Working Area Marking Area: 200 x 350 mm

STARTING AT:

US\$ 17,845.75

HL-50EXT Laser Marking Machine

A larger-capacity version of the Haas HL-50E, giving you increased marking flexibility with the same precise laser marking capabilities.

Product Features	50 W Laser with a .047 inch (1.2 mm) Cutting Depth Customize your creative assets exactly how you want with a lifetime LightBurn license.
Capacity	Fixture Plate: 1000 x 650 mm F160 Lens: 110 x 110 mm Working Area F290 Lens: 200 x 200 mm Working Area Marking Area: 1000 x 500 mm

STARTING AT:

US\$ 26,245.75

HMM430 Coordinate Machine

Bring professional-grade CMM inspection to your small- to medium-sized shop.

Product Highlights	Renishaw Controller & Linear Scales TouchDMIS Measuring Software Includes Computer with Non-Touch Monitor, Keyboard, Mouse, and Speaker Microsoft Windows Operating System, Windows 11 Program Inspection Directly From 3D Models Full CNC Inspections with CAD Models
---------------------------	---

ALL IN AT:

US\$ 57,745.75

HAC15 Air Compressors

Variable-speed air compressors.

HP	15 hp (11 kW)
Flow Rate	53 CFM (1.35 m ³ /min)
Tank Volume	52.8 Gal (200 L)

ALL IN AT:

US\$ 14,695.75

HTS400 & HPTS600 Tool Presetters

Streamline your workflow, maximize efficiency, and maintain precision in your machining operations.

Product Highlights

- Multiple Taper Options Available
- Sturdy Universal Table Top/Cabinet
- Industrial Wireless Data Matrix Scanner
- Thermal Printer
- Labels

STARTING AT:

US\$ 14,174.95

HSF-325 & HSF-450 Shrink Fit Machine

Fast, efficient, and accurate tool changes right on your benchtop.

Product Highlights

- Clamping range for tool diameters 10 mm to 32 mm
- Easy to Change Interchangeable Tool Sleeves
- Fast Induction Heating for Short Cycle Times and Easy Operation
- Very High Grip Force

STARTING AT:

US\$ 8,449.95

DIGITAL ROCKWELL HARDNESS TESTER

Semi-automatic, accurate, efficient, and versatile hardness testing.

Product Highlights

- Quickly Convert Between Hardness Scales
- Compact Design
- Digital Display.
- Backed by Haas Support

ALL IN AT:

US\$ 5,144.95

EDM-2000H Portable EDM Tap Remover

Remove broken taps, drills, reamers, screws, and other metallic obstructions, without damaging the workpiece.

Product Highlights

- Compact and Portable
- Non-destructive Process
- Adjustable Work Head
- Stainless Steel Chuck
- Auto Retracting Work Head

ALL IN AT:

US\$ 1,994.95

LOCAL SERVICE & SUPPORT

Haas Automation is the largest machine tool builder in the United States, supplying a wide range of quality, high-value products to machine shops and manufacturers around the world, including CNC machines, tooling, workholding, and shop support equipment. Haas products are sold, serviced, and supported through a network of more than 170 locally owned and operated Haas Factory Outlets, in more than 60 countries. Haas Factory Outlets (HFOs) provide the best sales, service, and support in the machine tool industry.

DON'T FORGET THE TOOLING.

What started with cutting tools has expanded into a wide range of tooling and workholding categories, including partnerships with industry leaders like Kurt and Mitee-Bite. We only sell tools we believe in, and every tool found on HaasTooling.com has undergone rigorous testing before becoming available to you.
