

UMC-400 & UMC-400SS

COMPACT 5 AXIS MACHINING.

The UMC-400 and UMC-400SS have a compact footprint and generous travels that make them the perfect fit for smaller shops, or shops doing 5-axis small-part machining. The UMC-400 and UMC-400SS use the proven design elements of our existing UMCs, while fitting in a 25% smaller footprint than the UMC-500.

STARTING AT:

\$110,995
