Bring Outside Processes In-House

When you're looking to expand the capabilities of your shop and bring processes in-house, Haas has the equipment you need, and it's sold, serviced, and supported by your local Haas Factory Outlet.

Quality | Service | Support

Working directly with top-tier manufacturers around the globe, we've sourced a selection of high-quality shop equipment to help job shops, engineering firms, and contract manufacturers round out their capabilities - all at incredible prices only available from Haas. Every product has undergone rigorous testing to ensure it meets our high standards, before becoming available to you. And all equipment is backed by the same industry-leading Haas service and support as our CNC products.

Products

HAB-3232 Automatic Bandsaw

HAC15-FS Air Compressor

HAC15-VS Air Compressor

HMM430 Coordinate Measuring Machine

HL50E Haas Laser Marking Machine

HAB-3232 Automatic Bandsaw

Shop Equipment / Bandsaw

HAB-3232 Automatic Bandsaw

- Max cutting height – 12.6" (320 mm)
- Max cutting width – 12.6" (320 mm)
- AI mode
- Wheel adjustable feedrate
- Hydraulic blade tension
- Automatic chip auger
- Bar stacking capability
- Manual and automatic modes
- Memory for multiple jobs

Elevate shop productivity and precision with the Haas HAB-3232 Automatic Bandsaw, designed to meet the rigorous demands of automated metal cutting. Engineered for precision, our bandsaw delivers smooth, clean cuts on a variety of metals, from steel to aluminum. The HAB-3232 can cut different lengths in the same cycle, and has bar-stacking capability for extra efficiency.

Featuring an intuitive control panel, the HAB-3232 offers user-friendly operation. Use AI Mode to let the saw determine its own feedrate, or use the adjustment wheel to make fine adjustments and determine what feedrate works best.

Air Compressors

Haas Air Compressors - Upgrade to Dry & Clean Air

The Haas 3-in-1 rotary-screw air compressor package - with the compressor and refrigerated air dryer mounted on the 52.8-gallon (200-liter) tank - delivers clean, dry air in a compact footprint that keeps installation costs low.

The **15 hp (11 kW), direct-drive motor** and rotary-screw compressor can produce up to **52.8 cfm (1.5 m³/min) of air at 145 psi (10 bar)**. This is the perfect solution for small- to medium-size shops. It's typically enough to run up to 10 Haas machines and still have extra capacity for things like additional pneumatic hand tools.

Includes a **12-month warranty** and supported by your local Haas Factory Outlet.

- Available in fixed-speed or variable-speed
- Turbo cooling design to keep compressor cool
- Oil cooler and aftercooler are separate units
- Heavy-duty air intake filter
- Designed for continuous operation
- Compact footprint with 3-in-1 tank-mounted compressor and dryer
- Includes necessary oil and filters

High-Efficiency Rotary-Screw Compressor

Refrigerated Air Dryer

Quality Air Filtration

Air Compressors

- *HAC15-FS – FIXED SPEED*
- **7-10 Haas machines**
- **Runs full speed**, regardless of load
- Works best when used continuously

HAC15-VC – VARIABLE SPEED

- **5-10 Haas machines**
- More **energy efficient** due to soft start system
- Better choice for **varying air demands**
- Electronic panel to limit pressure variation to 2 psi
- Works best when loads are usually below maximum
- 70 sold

- 17 sold

HMM430 Coordinate Measuring Machine

- 400 x 430 x 350 mm travels
- Renishaw controller & linear scales
- GeoCAD+ measuring software
- Linear guide bearings
- Includes computer with peripherals,
Windows 11
- Program inspection directly from 3D models
- Full CNC inspections with CAD models
- Quick measurements without CAD models using
joystick to hand-jog probe
- **€49,995** – 9 sold

HL50E Haas Laser Marking Machine

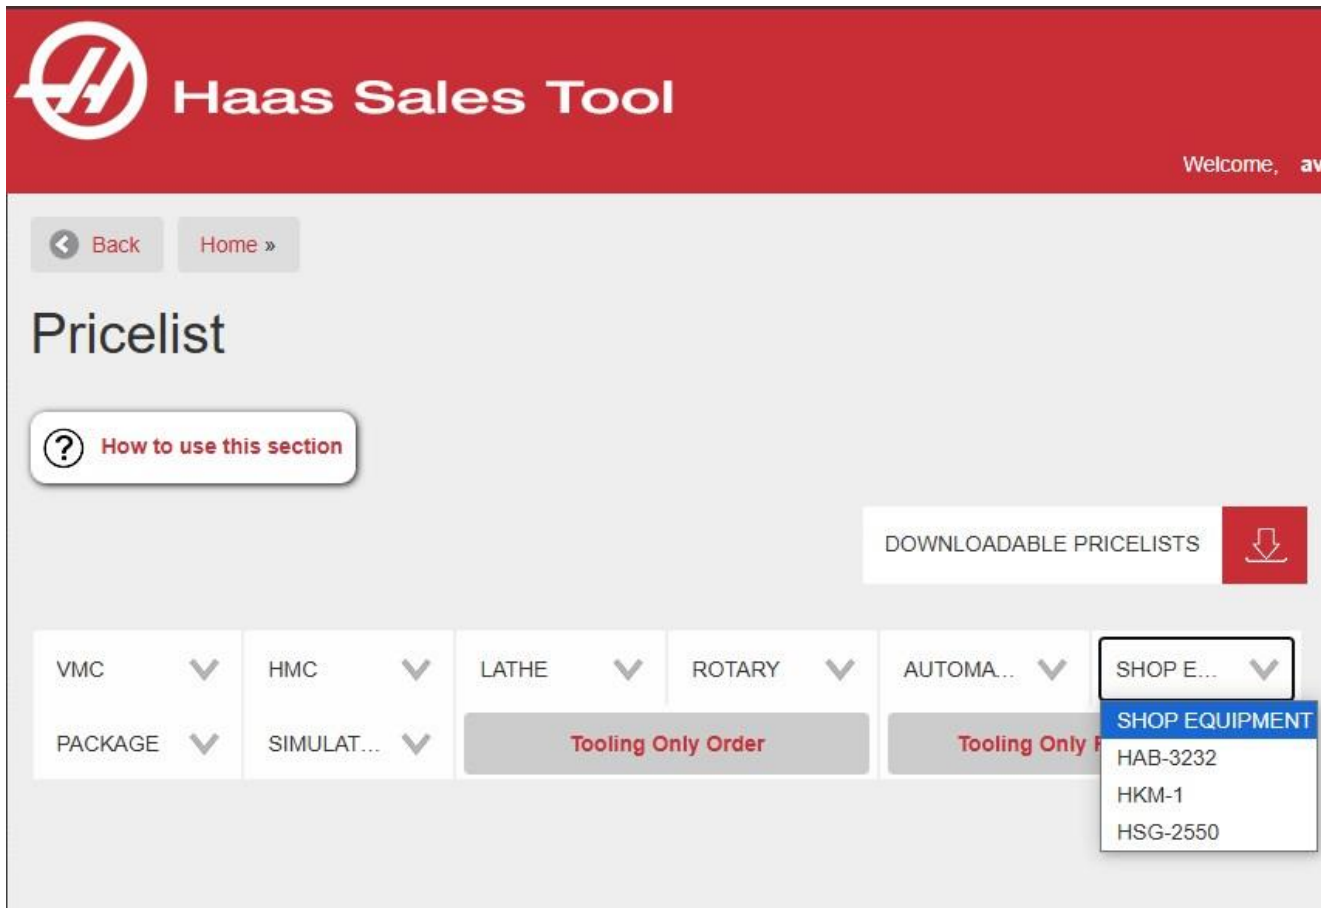

- Suitable for steel, alloy steel, stainless, brass, aluminum, iron and some non-metal materials
- Includes LightBurn software as standard
- Integrated Windows 11 PC
- 50W fiber laser, air cooled
- 50 x 50 mm marking range
- Integrated Fume Extractor
- **€12,995** - 61 sold

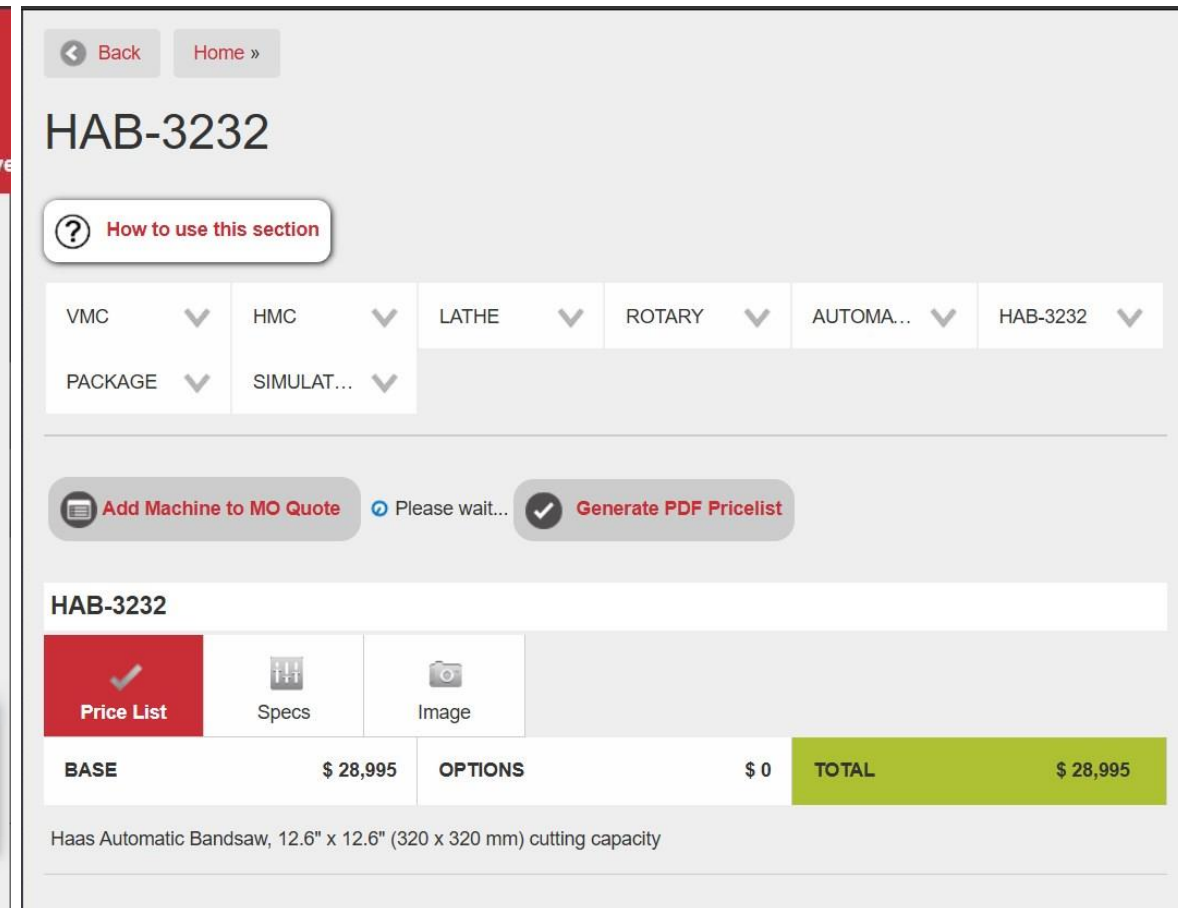

Sales Process

How To Order

- Bigger items that require shipping like machines & HFO support
=> Machine order

The screenshot shows the 'Haas Sales Tool' interface. At the top, there's a red header with the Haas logo and 'Haas Sales Tool' text. Below it, a navigation bar contains 'Back' and 'Home' buttons. The main heading is 'Pricelist'. A 'How to use this section' help button is visible. A 'DOWNLOADABLE PRICELISTS' button with a download icon is present. Below this, there are several dropdown menus for machine types: VMC, HMC, LATHE, ROTARY, AUTOMA..., PACKAGE, and SIMULAT... Two 'Tooling Only Order' buttons are also visible. A 'SHOP E...' dropdown menu is open, showing options: SHOP EQUIPMENT, HAB-3232, HKM-1, and HSG-2550.

The screenshot shows the machine details page for 'HAB-3232'. At the top, there are 'Back' and 'Home' buttons. The machine name 'HAB-3232' is prominently displayed. Below it, a 'How to use this section' help button is present. A row of dropdown menus shows the selected machine type: VMC, HMC, LATHE, ROTARY, AUTOMA..., and HAB-3232. Below this, there are buttons for 'Add Machine to MO Quote', 'Please wait...', and 'Generate PDF Pricelist'. The machine name 'HAB-3232' is repeated. A navigation bar contains 'Price List', 'Specs', and 'Image' buttons. Below this, a table shows the pricing:

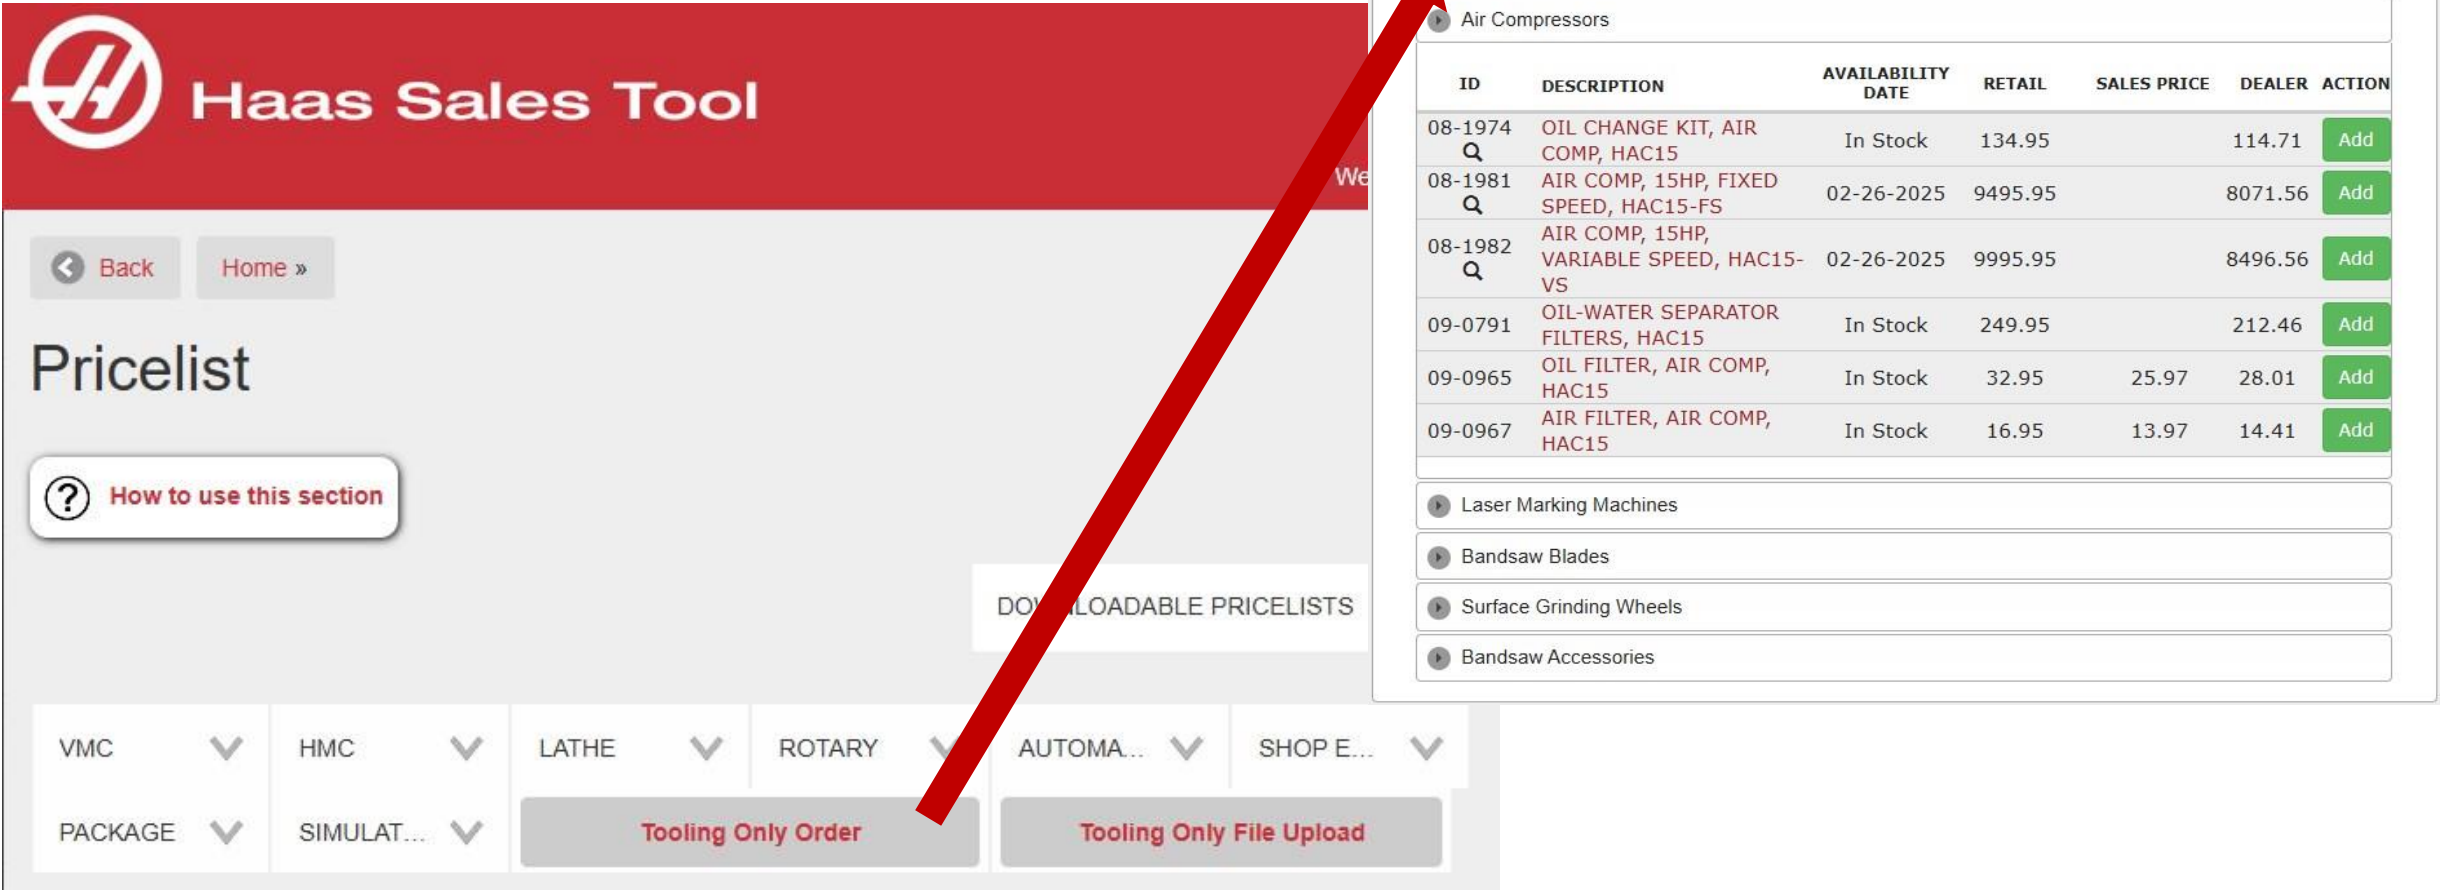

BASE	OPTIONS	TOTAL
\$ 28,995	\$ 0	\$ 28,995

Below the table, the machine description is: 'Haas Automatic Bandsaw, 12.6" x 12.6" (320 x 320 mm) cutting capacity'.

How To Order

- Smaller items which ship freight & may be able to install + service by end users

=> Tooling order:

The screenshot displays the Haas Sales Tool interface. At the top, there is a red header with the Haas logo and the text "Haas Sales Tool". Below the header, there are navigation buttons for "Back" and "Home". The main section is titled "Pricelist" and includes a "How to use this section" help button. A "DOWNLOADABLE PRICELISTS" button is visible. At the bottom, there are dropdown menus for "VMC", "HMC", "LATHE", "ROTARY", "AUTOMA...", and "SHOP E...". Below these are buttons for "Tooling Only Order" and "Tooling Only File Upload".

A red arrow points from the "Tooling Only Order" button to a detailed view of the "Air Compressors" section. This view includes a table with the following data:

ID	DESCRIPTION	AVAILABILITY DATE	RETAIL	SALES PRICE	DEALER	ACTION
08-1974	OIL CHANGE KIT, AIR COMP, HAC15	In Stock	134.95		114.71	Add
08-1981	AIR COMP, 15HP, FIXED SPEED, HAC15-FS	02-26-2025	9495.95		8071.56	Add
08-1982	AIR COMP, 15HP, VARIABLE SPEED, HAC15-VS	02-26-2025	9995.95		8496.56	Add
09-0791	OIL-WATER SEPARATOR FILTERS, HAC15	In Stock	249.95		212.46	Add
09-0965	OIL FILTER, AIR COMP, HAC15	In Stock	32.95	25.97	28.01	Add
09-0967	AIR FILTER, AIR COMP, HAC15	In Stock	16.95	13.97	14.41	Add

Below the table, there are additional categories: Laser Marking Machines, Bandsaw Blades, Surface Grinding Wheels, and Bandsaw Accessories.

5.1 AIR COMPRESSOR TROUBLESHOOTING

Overview

This chapter provides a basic troubleshooting guide for the single speed and variable speed Haas Air Compressor.

This guide includes a table of common issues with the compressor and the air dryer, as well as potential solutions.

There is also a decal on the compressor that shows the inside of the compressor. This can be referenced to understand the components that make up the compressor.
